Fall Fix Up Fun

Volunteers of all ages aided Jewish seniors served by JFS.

More than 500 volunteers came together on Nov. 6 — the 20th anniversary of Fall Fix Up — to ensure the older adults served by Jewish Family Service were prepared for the winter months.

Kids, teens and adults gathered in the morning at Congregation Shaarey Zedek in Southfield before heading out to rake leaves, wash and winterize windows and enjoy a day of beautiful weather helping neighbors in need.

A group of young adults helped to clean up debris at B'nai David Cemetery in Detroit. And students in grades 6-12 gathered at Adat Shalom Synagogue in Farmington Hills to enjoy pizza and prepare snack packs for the JFS hospitality closet before going to their own block party and raking and prepping more homes in the afternoon. *

See story about a longtime Fall Fix Up volunteer, page 19.
