

Are your kids wiggling through their worksheets?  
Does your daughter get distracted by the dog?  
Is your teen tuning out their teacher?

## How is the new normal affecting children with ADHD?

Join psychiatrist Dr. Jeffrey London, a leading expert on ADHD, as he speaks to parents about coping through COVID.

You'll learn about:

- Signs and symptoms of ADHD
- The process of getting your child evaluated
- How your school can help
- Tips and tricks for learning from home
