# BECOME SOMEONE'S ANGEL

Hope Not Handcuffs, an initiative launched by Families Against Narcotics (FAN) in 2007, brings law enforcement and community organizations together in an effort to find viable treatment options for individuals seeking help to reduce their dependence on any substance, including heroin, prescription drugs, and alcohol.

Would you be interested in making a difference in the life of someone who suffers from drug or alcohol addiction? Donating just a little of your time could have a direct impact on a person's path to recovery. Learn more at [hopenothandcuffs.com](http://hopenothandcuffs.com) or contact us at 833.202.HOPE.
