WE REMEMBER & MOURN OUR DEAR FRIEND AND BENEFACTOR

## MANNY CHARACH<sup>Z'L</sup>

*When it comes to a legacy of business success, community service, leadership and philanthropy, Manny Charach sets a standard few can match. A giant during his professional career as a distributor of consumer electronics throughout the United States, Manny was equally prolific as a philanthropist. He and his loving wife, Natalie, have created a legacy of compassionate care throughout the Jewish community and beyond.*

*Manny was a dear friend and generous patron of our agency with a personality larger than life. One of Manny's passions was to ensure all patients, especially vulnerable seniors, receive the best care possible. For more than 30 years Manny was a stalwart supporter of the hospice movement and instrumental in the creation of The Jewish Hospice and Chaplaincy Network.*
