

Are your kids Ready to go Back 2 School?

After a year of learning online our kids are finally getting back to the classroom. While we are looking forward to a return to normalcy, this transition understandably comes with questions and even some anxiety.

Join Dr. Jeffrey London as he shows parents how to help their kids gear up for a successful school year. He will cover:

- Setting up a transition plan for back-to-school mode
- Talking about COVID changes
- Helping kids understand what's negotiable and what's not
- Knowing your child and advocating in a helpful way
