

Jewish Community Resources for the Dementia Journey

A dementia diagnosis impacts the entire family. We understand navigating this can feel overwhelming, but **you don't have to face it alone.**

Join us as our experts share valuable information about resources and supports within the Jewish community available to you and your loved ones.

Whether you're newly diagnosed, a family member, or a caregiver, **we have resources and guidance for every stage of this journey.**

Moderated by **MARIANNE BLOOMBERG**
Director, Philanthropy, Jewish Federation of Detroit
